

VETERANS

The Mobile Vet Center is headed for the Veterans Memorial Park on Railroad Row in White River Jct., VT on Nov 7th, 2009 from 10:00am to 1:00 PM hrs.

Note: Veterans Memorial Park is located next to the Windsor County Court House and the "Engine 494" in downtown White River Jct.

White River Junction Vermont's Mobile Vet Center (MVC), is one of a fleet of 50 new mobile Vet Centers in the United States. The VA's Vet Center Program, is traveling VT and NH to reach underserved veterans.

The 39' motor coach, with space for confidential counseling, carries Vet Center counselors and outreach workers to provide non-medical readjustment counseling, addressing the social and economic dimensions of post-war needs. This includes counseling for traumatic military-related experiences and family counseling when needed for the veteran's readjustment or assisting Fed Benefits.

This event is sponsored by the Norwich University Alumni Club of the Upper Valley, who will be providing light refreshments (coffee, tea, juice, pastries) for Veterans and their families as they come see the MVC.
